Testimonials

“I have worked with Vinova for more than 10 years. They have reliable and excellent support to our booking systems and servers. We will continue to use Vinova as our main vendor in all our future projects.”

Joe Lim

Head of IT Department, SSDC
(customer of 13 years)

“Vinova has been extremely professional and proficient in meeting my development needs. The team has been extremely on the ball, with their Directors Jonathan and Phoebe operating on the same wavelength as myself. Top notch!”

Daniel K

Founder, Neuronal
(customer of 4 years)

“We have engaged Vinova for more than two years now. I am very pleased to closely work with them on several projects. They are responsive, accommodating and can deliver great results! Thank you Mitch, Mike and the entire Vinova team”

Archie Dolit

Project Manager
XBourse Global Pte. Ltd.
(customer of 3 years)

“We have worked with Vinova for close to 8 years and it's been an amazing working relationship with Mike and his team. Mike is always responsive to requests, accommodating to changes and timely on the deliverables. I highly recommend Vinova!”

Christopher Ng

Founder, Moveaide Pte. Ltd.
(customer of 10 years)

“First class product, service, and ethics. The level of professionalism and responsibility shown by Mike and his team are impeccable. Thank you Vinova!”

Charles Chew

Executive Director,
Prelens Pte Ltd
(Customer of 3 years)

“It was our great fortune that we picked Vinova to assist with many of our digital initiatives including various mobile and web applications. The team is very knowledgeable, their service brilliant and they always go the extra mile.”

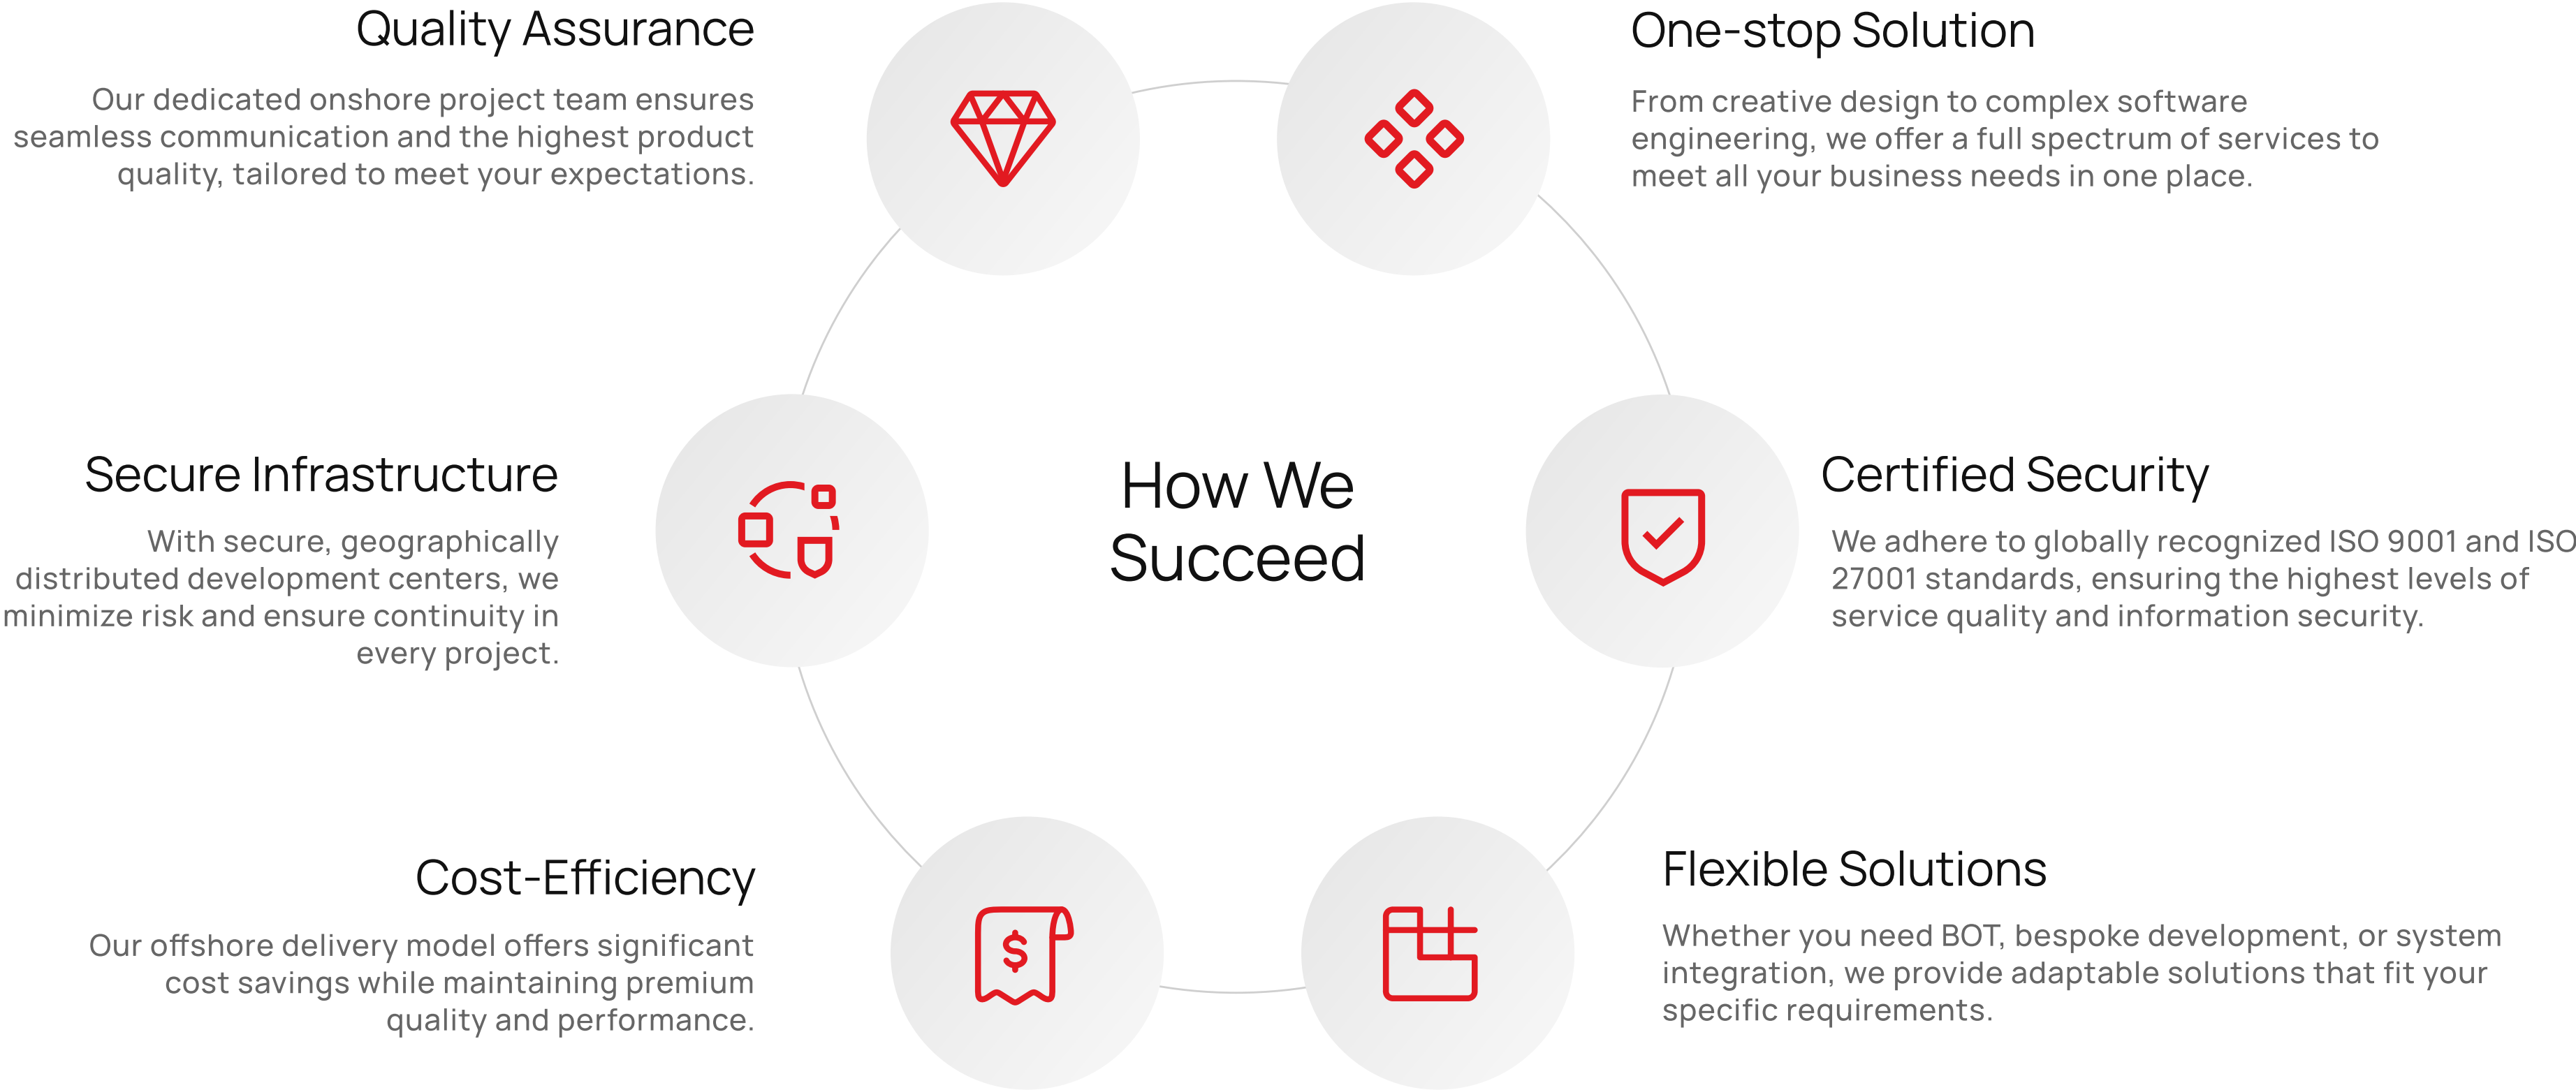

Nick Gole

Enterprise Architect,
Navig8 Group
(customer of 4 years)
